# Autumn Term Careers

## Newsletter

The below information is aimed at giving parents/carers up to date information on the Humber Labour Market Information (LMI). LMI is important as it allows students to have a greater understanding of key sectors/industries that exist in our local area, which will help make informed decisions about career choices. It helps to influence careers provision to allow young people to explore key aspects about a particular area. It is pivotal to effective careers guidance; high quality, impartial, current expert knowledge about local labour market information distinguishes careers support.

The Humber region is covered by four local authority areas on both sides of the Humber Estuary. These four councils are: Kingston upon Hull, East Riding of Yorkshire, North Lincolnshire and North East Lincolnshire.

The Key priorities sectors in the Humber are:

- Manufacturing
- Engineering
- Chemicals
- Creative & Digital
- Public Sector
- Construction
- Health & Social Care
- Visitor Economy
- Business & Retail
- Food & Agriculture
- Ports & Logistics
- Energy

There are approximately 29,000 businesses in the region providing over 400,000 jobs.

- 76% of people are employed, and 13% self-employed.
- 1 in 4 are educated to degree level or higher.
- Over half the workforce is classified as managerial, professional or skilled.
- The Humber is fast becoming an international centre of excellence for Renewable Energy.
- 80% of the UK's seafood products are manufactured in Grimsby.
